GENERAL INFORMATION

The Kittatinny Coalition is a group of land trusts, conservation organizations, state and federal government agencies, and academic institutions working together to conserve the natural, scenic, cultural, and aesthetic resources of the Kittatinny Ridge Conservation Landscape. The Kittatinny project, and this mini-grant program, is supported by the Pennsylvania Department of Conservation and Natural Resources (DCNR) through DCNR's Environmental Stewardship Fund administered by the Bureau of Recreation and Conservation. The DCNR grant is administered by the Kittatinny Coalition through Audubon Pennsylvania. For more information on the Kittatinny Ridge project visit www.kittatinnyridge.org.

A mini-grant committee will award grants up to \$10,000 for projects that support and advance the goals of the Kittatinny Coalition. All projects, related costs and funding must conform to the guidelines of the [PA DCNR Community Conservation Partnership Program](#).

Grant Agreement and Disbursement

Awardees will enter into a Grant Agreement with Audubon Pennsylvania to receive the mini-grant funds. Once the Agreement is fully executed, Awardees can receive 50% of the award amount and upon invoice thereafter. Ten percent of the mini-grant award will be paid upon completion of the Scope of Work. Awardees must submit an interim progress report and final project report. All project deliverables must be submitted no later than the grant's project completion date.

Match Requirements

Mini-grants require a 1:1 local match in the form of cash and/or eligible non-cash (in-kind) services.

Cash Match:

No portion of the cash match can originate from DCNR funding, including but not limited to:

- Community Parks and Recreation Grants
- Land Acquisition Grants
- Partnership Grants
- Trail Grants
- Rivers Conservation and Riparian Buffer Grants

In-kind Match:

The value of municipal labor and/or professional services is equal to the hourly billable rate multiplied by the number of hours performing that service or job. The value of volunteer in-kind will be valued at the current [Independent Sector Volunteer Rate for Pennsylvania](#) at the time the work was performed.

Applicants must provide proof of match commitment.

Important Dates

- Grant round opens: October 2, 2020
- Application deadline: November 20, 2020
- Grant awards announced: December 18, 2020
- Interim report due: June 30, 2021
- Project completion and final report due: December 31, 2021
- Awardee mini-grant presentations: Kittatinny Coalition annual meetings, to be determined

ELIGIBILITY

Who is eligible?

Eligible applicants include non-profit organizations with tax-exempt status 501(c)(3), municipalities, counties, and educational institutions.

Non-profit organizations must submit proof of non-profit status and be registered with the PA Department of State Bureau of Charitable Organizations.

Current DCNR Partnerships Program grant recipients are discouraged from applying for or receiving mini-grants.

What kind of project is eligible?

This mini-grant program must support the goals of the Kittatinny Coalition: land use, native habitat and wildlife, scientific research, clean and plentiful water, municipal action, and public engagement. Please see additional information about the Coalition's goals here:

<https://kittatinnyridge.org/protect/about-the-coalition>.

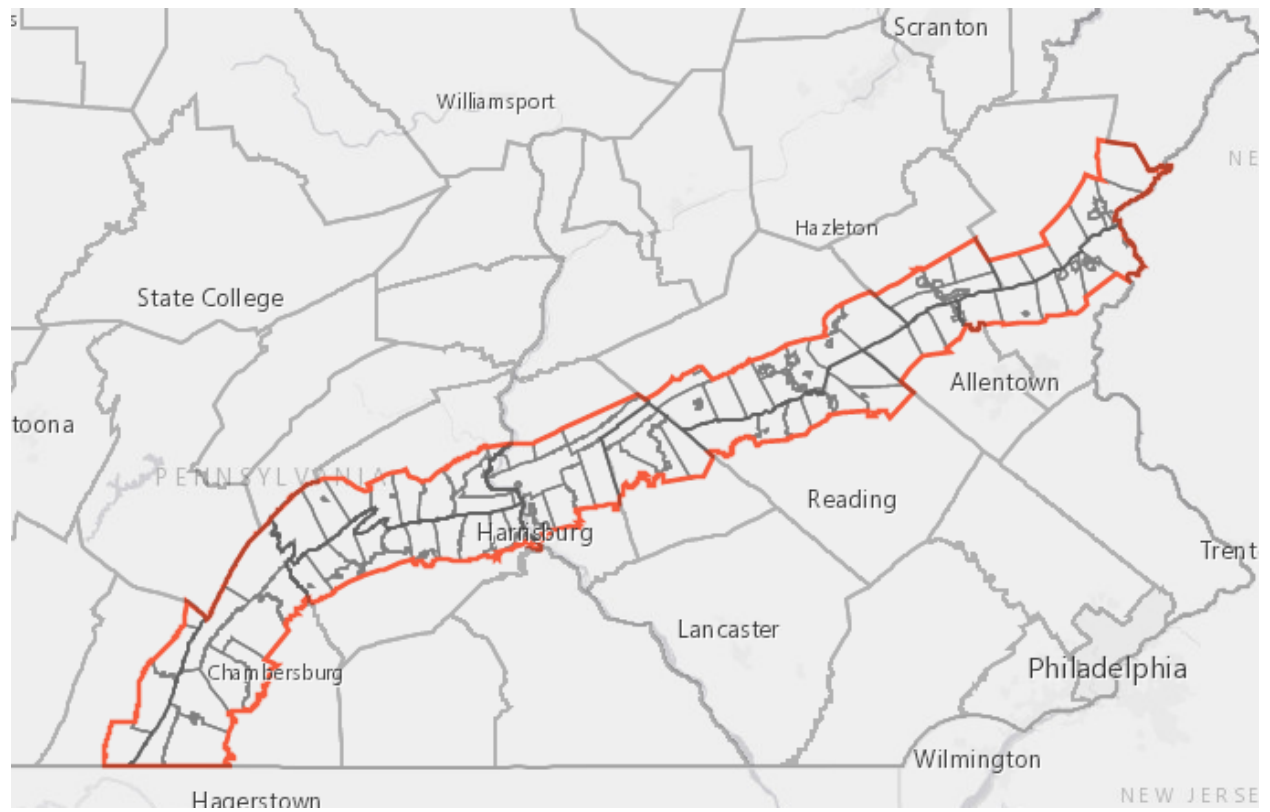

In addition, please note in your application if the project helps carry out research, monitoring, habitat assessments or restoration directly benefiting highest priority Species of Greatest Conservation Need (SGCN) as identified by the Pennsylvania Wildlife Action Plan.

Research and survey needs for SGCN can be found in the Wildlife Action Plan species accounts (Appendix 1.4 – [birds](#), [mammals](#), [reptiles](#), [amphibians](#), [fishes](#), and [threatened or endangered mussels](#)). Other invertebrate SGCN actions can be found in [Appendix 1.1](#)), which applicants are encouraged to reference in their proposal development.

Projects must be located within the Kittatinny Ridge Corridor, which encompasses townships that run along the spine of the Ridge as illustrated in the map below.

What kind of project is ineligible?

- Recurring maintenance or monitoring
- Maintenance of existing structure or construction or rehabilitation of structures that are not directly related to preservation or restoration of natural resources
- Permanent staff salaries
- Property easement or acquisition activities
