# KITTATINNY RIDGE

CAN YOU HEAR IT?  
THE RIDGE IS CALLING.

The Lenape call it "Big Mountain." We know it simply as "The Ridge." Standing sentinel to our communities, backdrop to our lives, its iconic peaks stretch nearly 200 miles across Pennsylvania, from the Delaware Water Gap to the Mason-Dixon Line. Its pure headwaters fill our creeks and lakes and bring life to our native forests and rich farm valleys. The Kittatinny Ridge is our gateway to the wild. It occupies the heart of our land and provides endless adventure. It drives our economy. It sustains our natural resources. It powers our passions.
